## **INQUIRY INTO GREYHOUND RACING IN NSW**

**Name:** Miss Angie Ostrowski

**Date received:** 3/11/2013

---

Please end greyhound racing in New South Wales. At a minimum, an independent regulatory body must be created, mandatory adoption programs put in place, and a moratorium placed on any new dog tracks. Greyhound racing is a dying sport in the US and is no longer profitable. These dogs are made to suffer needlessly when they should be enjoying their lives with loving families.
