

INQUIRY INTO SAME SEX MARRIAGE LAW IN NSW

Name: Name suppressed

Date received: 31/01/2013

Partially Confidential

I support gay marriage 100%. Humans will never be equal until gay marriage rights are legalised. Religion should not be a barrier to equality, it's not just marriage it's the equality as human beings. I want to see gay marriage legalised this year. Everyone deserves the rights be equal and live in a fair society.
