INQUIRY INTO GREYHOUND RACING IN NSW

Name: Ms Maree Bugge

Date received: 5/11/2013

Dear Director,

No animal should be used in this way and I feel utterly disgusted to live in NSW and feel that whoever allows this to keep happening should have legal action taken against them. And I would like to persue that myself.

Theyare dogs, just like the pet you own.

I get it money talks, but this makes our nation look filthy.

NSW wake up.

Sincerely,

Maree Bugge
