

INQUIRY INTO SAME SEX MARRIAGE LAW IN NSW

Name: Ms Maureen Bartlett

Date received: 7/02/2013

Honorable members of parliament, our representatives

Please do not vote for same sex marriage in our beautiful land of Australia. We want the union of marriage between a man and a woman to be respected and honored, and mother and father role models upheld for our children.

Please, please vote NO when you have same sex marriage brought before you in parliament. NO is the only answer which is God-honoring and child protecting. Marriage between one man and one woman is the blueprint for a healthy society.

I do hope you will listen to the people you are serving and vote NO.

Many thanks

Maureen Bartlett
