Subject: Lane Cove Tunnel Inquiry

I urge you to lock in the provision of the cycleway along Epping road as part of the Lane Cove Tunnel project per the contract with Thiess John Holland.

In a major infrastructure development such as this it is essential to keep in mind long term objectives such as provision of an adequate cycling infrastructure in Sydney. In particular these needs should not be overlooked for short term political expediency.

As I work in Lane Cove and live in East Ryde and cycle to work every day this cycleway will significantly enhance my safety as a cyclist each and every day.

Regards

Roger
