

**Submission  
No 26**

**INQUIRY INTO VOCATIONAL EDUCATION AND  
TRAINING IN NEW SOUTH WALES**

**Name:** Mrs Janine Carollo

**Date received:** 27/06/2015

---

TAFE is VITAL for our young people to gain skills and become employable. This government says earn or learn and then proceeds to make education completely unaffordable except for the affluent. We had a world class system which is being destroyed and is contributing to a sense of hopelessness among our youth. WAKE UP and restore funding to this irreplaceable resource and get rid of these shonky private providers. Without TAFE kids have no choices and no future.
