## **INQUIRY INTO GREYHOUND RACING IN NSW**

**Name:** Ms Christine Proctor

To : Legislative Council Select Committee on Greyhound Racing in NSW

Date 16 October 2013

Submission Heading – example. More prizemoney

Relevance / Terms of Reference - – “A The economic viability of the greyhound racing industry in New South Wales ”

What I would Like to Say:

I am a greyhound trainer and have been for a long time. I am not happy at how prize money has not kept up with rising costs. I have heard that when GRNSW distributes the funds prize money comes last after all other expenses. I think this is not fair. Prize money should be first and other expenses come out of what is left. GRNSW administration should be only a small percentage of the distribution. It is important that the inter code agreement is changed so that we get our fair share.

Thank you for allowing us to put in submissions.

Yours Sincerely

Christine Proctor
