INQUIRY INTO SAME SEX MARRIAGE LAW IN NSW

Name: Ms Gay Moore

Date received: 6/02/2013

To: The Social Issues Committee of the NSW Parliament

From: Gay Lorraine Moore

I am strongly opposed to the recognition of same-sex and support the traditional view that "marriage" is between a man and a woman - not two members of the same sex.

Recognition of the latter view is strongly discriminatory against the traditional view and as the two viewpoints are so contradictory, I cannot accept that they can co-exist.

Yours faithfully,
Gay Moore
