**INQUIRY INTO EDUCATION AMENDMENT (ETHICS
CLASSES REPEAL) BILL 2011**

Please do not repeal the Education Act (Ethics) 2010. Ethics classes are important and relevant to students - just look at the enthusiastic take up of the schools that have offered it! Schools should be doing everything they can to engage students. I would be appalled if the religious minority who see Ethics Classes in opposition to Religious Instruction got you to cancel what clearly the majority of parents and students find interesting and relevant.
