

## **INQUIRY INTO SAME SEX MARRIAGE LAW IN NSW**

**Name:** Miss Amy Orange

**Date received:** 15/02/2013

---

I support the current definition of marriage as between a man and a woman. To call same sex union marriage undermines the foundational understanding of the term. Marriage is a key building block of our society to tamper with it will be destructive for families as well as the wider community. Same sex unions will destabilise families robbing children of role models, denying them the opportunity to see how opposite genders relate in a healthy manner and giving them an imbalanced worldview.
