

INQUIRY INTO SAME SEX MARRIAGE LAW IN NSW

Please keep marriage as between a man and a woman. Children need both a male dad and a female mum to be raised in a balanced and loving way. This is the way God created marriage to be, please do not let a minority group change what God created. Same sex couples are free to be together. Please do not let a small minority group change things for the majority of Australians. At the very least there should be a referendum if laws are to be changed. I believe legalising same sex marriage would put all Australians, children and families at risk in that it would change our nation on a moral and social level that will be damaging. Please protect Australia's future children and generations.
