Subject: Help protect the greyhounds.

Dear Director,

The greyhounds need to be protected from these horrible things they call owners, not all, just some. I know what they put them poor dogs through as I used to live next to a old man who had greyhounds and at 5am in the morning you could hear him running them on a treadmill whipping them, and I don't even want to know what some other trainers do.. Animals can't always help themselves so we need to be the ones to help them..

Sincerely,

Luke Davison
