

**INQUIRY INTO USE OF CANNABIS FOR MEDICAL  
PURPOSES**

**Name:** Name suppressed  
**Date received:** 12/02/2013

---

Partially Confidential

I suffered depression and often thought about suicide. That was, until I started using marijuana on a daily basis.

It is so much better than Doctor-Prescribed legal medication. Pharmacy meds had so many side effects, they made me feel sick constantly, I lost my appetite, I couldn't sleep properly, not to mention that the risk of liver damage was alot higher using SSRI's.
