

INQUIRY INTO SAME SEX MARRIAGE LAW IN NSW

Name: Miss Tina Innes

Date received: 30/01/2013

To whom it may concern

I am making the following submission on behalf of the equality rights of all men and woman to commit into marriage. I feel that it is a discriminable act to refrain two equal and loving people too enter into a legal marriage as per Australian Law. I find the Law to be extremely dated and out of touch on this matter and really needs to be reviewed immediately.

The right for a man to marry another man or woman to marry another woman is no different to generations ago when interracial marriages where not legal. The year is 2013 open all your sense and see this is not a criminal act it just a couple of the same gender wishing for the state and nation to recognise the love legally.

Please consider this submission as a plea for all Australian to be treated equally without any such discrimination.
