

INQUIRY INTO GREYHOUND RACING IN NSW

Name: Mrs Priya Fernandes

Date received: 15/10/2013

I was thoroughly saddened after watching the news item about greyhound racing. The sight of that poor dog with a broken leg being taken off the track and possibly subsequently shot dead is just not acceptable treatment of such beautiful dogs. Please stop these disgraceful practices or do a bit more to regulate the greyhound racing industry. It is very very disheartening to see such cruelty being inflicted on them. Thank you.
