THE TRANSPORT NEEDS OF SYDNEY'S NORTH-WEST SECTOR

Name: Mrs Frances Hughes

Date received: 15/10/2008

RE: NORTHWEST TRAFFIC CONGESTION

I live in Kenthurst and commute to Castle Hill Monday to Fridays during peak hours.

Old Northern Road through Dural, Glenhaven & Castle Hill is mostly just one lane. It is a daily fight with traffic and nothing is being done to widen lanes. Two traffic lights are urgently required, one at the intersection of Glenhaven Road and Old Northern Road and the other at Hastings Road and Old Northern Road.

Buses need their own lane and bus bays with shelters need to be built along various sections of Old Northern Road, Dural, Glenhaven and Castle Hill.
