**INQUIRY INTO THE BUILDING THE EDUCATION
REVOLUTION PROGRAM**

Name: Mrs Kathy Mackinnon

Date received: 4/06/2010

We wish to lodge a complaint regarding the BER programme highlighting the disgraceful waste of money on the new Tottenham Central School Canteen. We have seen the building, being members of the Tottenham community and our children attended the school for many years. How can such a project have continued, costing us and other taxpayers \$600000. What a dreadful waste of money for something that is laughable and unusable. The old demountable and its attached all weather venue must also remain at the school as it is a great area for the children during wet weather. The new canteen is an absolute disgrace and it is a perfect example of what a complete waste this programme has been as now others are coming forward with similar stories.
