CLASSES REPEAL) BILL 2011**

Subject: Ethics Classes

In a modern secular society, an option of ethics classes as an alternative to religious indoctrination or wasted time looking at videos is vital.

The thought of these classes being overuled by the pressure of religious zealots is totally unethical and would not be occuring if the self same zealots had they themselves attended ethic classes.

I strongly condemn any attempt to repeal the Education Amendment (Ethics) Act 2010

Sincerely

Robert Gibson
