**INQUIRY INTO CLOSURE OF PUBLIC SCHOOLS IN NEW
SOUTH WALES**

Name: Mr Les Norley

Date received: 14/08/2015

Merrin I have been informed I should lodge a submission with you regarding our school since this letter was sent more children have left the school I have had a telephone conversation with _____ who It is the parents rights to change schools if they want to and staets he has the utmost confidence in his two top educators To my knowledge he has not been in contact with any of the paents who have taken their children out of the school to get to the bottom of what has caused this sudden mass exodus fromthe school. I hterefore have no confidence in his abillity to do the right thing by the children who he is supposed to be looking after. The children shouold and must be his main concern then worry about his staff'.

If children are unhappy or stressed that will not learn properly Changing teachers continually with casual teachers is just one upset they do not need
