INQUIRY INTO THE PRIVATISATION OF PRISONS AND PRISON-RELATED SERVICES

Organisation:

Name: Name suppressed

Telephone:

Date received: 25/02/2009

Partially Confidential

I oppose the privatisation of prisons on the grounds that it will mean prisons are run for profit. As a result there will be job losses in the community, and both staff and inmates will be put at risk by lower staffing levels. Overseas experience shows that such a move has resulted in a loss of transparency and accountability.
