JOINT SELECT COMMITTEE

ON TOBACCO SMOKING / 13 April

SUBMISSION

THE SYDNEY MORNING HERALD 10-19-3-2006  
Which seat N.S.W. Government does MP Tobray represent?  
Points

- strategies against have nil effect.
- smoke free venues are good. Indoor.
- plenty of non smokers to justify above. Venues.
- Quit initiatives are worthwhile.
- Budget for anti smoking, government, will never be big enough.

- Revd Mr Nile in the Legislative Council  
is an example of media and QUIT initiatives (132130).  
Government obviously concerned about train travel.  
I at least considered my own habit on reading this  
advertisement.

FORGET ABOUT BUTTS. SOLVE THE PROBLEM

Yours  
J. L. Tredwinick
