

## **INQUIRY INTO GREYHOUND RACING IN NSW**

**Name:** Ms Karen Mizzi

**Date received:** 17/10/2013

---

Plain and simple, why is it ok to kill because we can? Aren't we the superior species, aren't we supposed to be of higher intelligence? Where's our sense of responsibility? What kind of message are we sending to future generations? I want to live in a society where human beings are capable of displaying compassion for all living creatures.
