Submission to the Inquiry into the adequacy of water storages in NSW

The Northern Rivers Guardians (NRG) agrees with and fully supports the views in the attached submission provided by the Byrrill Creek Land Care Group on the adequacy of water storages in NSW. As we do not wish to duplicate the content, please accept the views and recommendations of the Byrrill Creek Land Care Group as also those being submitted by the NRG.

For your information, NRG is a regional residents' association based in Tweed Shire with a paid membership of nearly 500. Our core purpose is to advance appropriate development and safeguard against inappropriate developments in this shire and across the Northern Rivers region. NRG also aims to preserve our World Heritage environment, reduce damaging pollution and dependence on fossil fuels and to promote innovation suitable to a sustainable future.

Yours sincerely
