**INQUIRY INTO PLANNING PROCESS IN NEWCASTLE
AND THE BROADER HUNTER REGION**

Name: Mrs Rhonda Hartwig

Date received: 27/10/2014

Dear Mr Nile,

I am writing this email on behalf of my mother Ronda Hartwig, who does not have an email address.

This is in regards to adding to the list of planning permissions granted during the previous Lord Mayor of Newcastles reign.

A development at the Glovers lane park which is a small triangular piece of land with historical stone work under the road, is earmarked for a high rise- border to border- development.

From the google map reference, you will see this is a small loved park defining the heritage character

Please don't let this asset be transferred and transformed into more high density living in a heritage suburb.
