INQUIRY INTO INQUIRY INTO ELDER ABUSE IN NEW SOUTH WALES

Name: Name suppressed

Date received: 4/02/2016

Partially Confidential

I worked for five years in an Aged Care Facility. In my eight hour shifts I was expected to look after 37 residents for at least three hours of every shift on my own, as well as help the other nurse in the other part of Low Care. When I brought up the fact that we were understaffed to my manager, I was abused, harassed and eventually forced to resign. I now work in Community Nursing and find this is much better. I would not ever consider going back to work in an Aged Care Facility.
