To the members of the NSW Parliament,

Macedonian Orthodox Church Property Trust Bill 2010

I, , am writing this letter in support of the Macedonian Orthodox Church Property Trust Bill 2010, being brought in the NSW Parliament. I regularly attend my parish church "St. Basil the Grate" in Newcastle, and am involved in various group activities. Being an active believer of the Macedonian Orthodox Church I can appreciate the importance of this Bill for the better organisation of the Macedonian Orthodox Church in Australia, and the lasting benefits it would have for future generations. It makes me proud that with this Bill, our Church will be given recognition in legislation as is the case with other churches in this country.

With prayer that God blesses and guides the members of the NSW Parliament,

Yours truly,
