To the Director,

General Purpose Standing Committee No.3, Legislative Council, Parliament House  
Macquarie Street, Sydney, NSW 2000.

Re; Macedonian Orthodox Church Property Trust Bill 2010.

Dear Sir/Madam,

I wish to inform you that I **object** to the passing of the Macedonian Orthodox Church Property Trust Bill 2010. The bill presents a serious concern to me and all of the Macedonian community in NSW and Australia. The transfer of all community property and assets should not be placed in trust of the Metropolitan Bishop or any other individual for that matter.

In Australia all Macedonian community property has been built with donations from the hard working Macedonian community members or parishioners and not by the Metropolitan Bishop. For this reason alone he has no right to take this community property in trust and under his name or with two of his priests.

It is only fair that in Australia all Macedonian Orthodox property and assets stay forever as community property, built by the community and run by the community for the benefit of the community members and parishioners.

I am extremely concerned that I cannot be guaranteed that the Metropolitan Bishop as a trustee will not sell some or all community property and assets for his benefit as he will have the ultimate authority to do as he wishes.

I beg you to please have the Macedonian Orthodox Church Property Trust Bill 2010 withdrawn or voted against.

Thank you for giving me the opportunity to voice my concern on this very important matter as I can assure you that the Metropolitan Bishop or the priest has never informed me of his intentions or of the content of the Macedonian Orthodox Church Property Trust Bill 2010.

Yours Faithfully,
