INQUIRY INTO CROWN LAND IN NEW SOUTH WALES

Name: Ms Lowana Chapman

Date received: 16 July 2016

I wish to make a submission regarding the alteration to Crown Lands which the State Government proposes. From what I read, this will be a very retrograde step..When land owned by the public of NSW is sold, or laws regarding conservation of same is reduced, there will be no turning back. Please think what future generations will have lost .. when it's gone it's gone, and as I have already noted, Crown Lands are owned by the Public, not the Government to do with as they like..
