Organisation: Australian Conservation Foundation – Central Coast Branch
Date received: 24 July 2016

To Premier Mike Baird MP, On behalf of the Australian Conservation Foundation- Central Coast branch I am writing to you to raise concern with the Government proposed reforms to Crown Land Management in NSW and urge you to undertake further public consultation on a draft Exposure Bill prior to introducing a new Bill in to the NSW Parliament. I am concerned that the Government has failed to recognise the significant environmental value of Crown Lands and include measures in its proposed reforms to protect and enhance area of high conservation value. To this end I urge the Government to undertake further public consultation and release a drtaft Exposure Bill for public consultation prior to introducing new legislation in to the NSW Parliament

Yours sincerely
