## **INQUIRY INTO CROWN LAND IN NEW SOUTH WALES**

**Name:** David Dight

**Date received:** 24 July 2016

---

Sir

With ever increasing population densities the need for public access land is increasing. This is happening at a time when all tiers of government see land sale as a potential revenue source. I request that the reduction in crown land be stopped & that all such land be held unless it can be shown that there is a real public good factor in that sale.
