INQUIRY INTO MUSEUMS AND GALLERIES

Name: Mr Martin Cousins

Date received: 8 August 2016

Hello,

I am concerned about the proposal to move the Powerhouse Museum to Parramatta as I feel it will be less accessible to tourists at Parramatta, and attendance would therefore drop.

Should a decision be made to move the Museum, consideration should be given to moving it to Cockatoo Island, to consolidate and better preserve the material there.

Thank you.
