INQUIRY INTO MUSEUMS AND GALLERIES

Name: Ms Barbara Radcliffe

Date received: 8 August 2016

Powerhouse Sydney SUPERSTRUCTURE As the fantastic museum above is not entirely self-supporting, Build deluxe apartments on top of it The body corporate would rent the space for the real estate's duration Thus providing sufficient funds to vitalise Powerhouse Sydney, make up the shortfall in operating cost and help develop Parramatta's own unique technological museum. This solution would require minimal administrative costs. And the NSW STATE GOVERNMENT COULD BASK IN THE KUDOS OF SUPPORTING THE ARTS WITHOUT SPENDING A CENT.
