INQUIRY INTO MUSEUMS AND GALLERIES

Name: Mrs Ruth Thomson

Date received: 10 August 2016

I regularly visit to Sydney and include in my tourist travels the Powerhouse Museum at Ultimo, as well as the NSW Art gallery, The Australian Museum and performances at the Sydney Theatre Company and the Opera House. However, if the Powerhouse Museum were shifted away from easy access of the City Centre, I doubt that I would visit it so frequently, if at all, I urge the Committee to keep the Powerhouse Museum at its present site as moving it to an outer location will be a disincentive for visitors to Sydney.
