

**INQUIRY INTO ENROLMENT CAPACITY IN INNER CITY
PUBLIC PRIMARY SCHOOLS**

I believe that kids should be able to run around in a safe local public school that has plenty of green space. Ultimo School kids play at Wentworth Park now, but soon there will be more residents and students using this space. Local land 3x the size of the current Ultimo School is just 200 metres down the road and is available.

I would like the state government to buy this land to ensure that there will be enough green space and classrooms for the future. all land will soon be sold.

I also strongly believe that government should focus more about public education and health.

Please listen my opinion.

Yours faithfully

Itzel Ornelas.
