

**INQUIRY INTO ENROLMENT CAPACITY IN INNER CITY
PUBLIC PRIMARY SCHOOLS**

Name: Ms Ayaka and Mr Oscar Sanchez

Date received: 18 September 2016

To whom it may concern,

The community of Ultimo Pymont deserve a local public school that meets the demand of one of the densest communities in Australia.

The only site appropriate for the Ultimo Public School is the Wattle Street depot. This space has the capacity for enough green space for the children to run and for community facilities that people in Ultimo Pymont need.

We would like for the state government to buy the Wattle street depot and build the new school on this site.

Please listen to our concerns.

Yours faithfully,

Ayaka and Oscar Sanchez
