**INQUIRY INTO ENROLMENT CAPACITY IN INNER CITY
PUBLIC PRIMARY SCHOOLS**

Kids need plenty of green space to run and play at a location that is safe and exclusively used by the school. At the moment, kids at Ultimo Public School play at Wentworth park which is a shared space. Local land three times the size of the current Ultimo Public School is available nearby.

I would like the state government to buy this land to ensure that there will be enough green space and classrooms for the future.

Please consider my opinion
