The Committee Chair,

I am a patient of Dr. Kiran Phadke, who started treating me with my cancer treatment at Sutherland Hospital, NSW, from October 2011 to April 2012.

When I was diagnosed, his willingness to take the time to explain my diagnosis and treatment to me was exceptional.

I have always found Dr Phadke to be an honest, compassionate, professional and supportive during my treatment, as well as attentive, considerate and understanding.

I have so much gratitude for the care and treatment I received from Dr. Phadke who is an extremely capable doctor.
