**INQUIRY INTO COMMERCIAL FISHING IN NEW SOUTH
WALES**

Name: Ms Lesley Hale

Date received: 8 December 2016

As an Australian citizen, I would like to see sustained local Australian fishing, caught by local fishermen,

I want to be able to go to my local fish shop/cooperative to purchase locally caught Australian fish. I am not a recreational fisherperson, rather an old age pensioner who wants the rights to continue purchasing sustainable Australian caught in local waters, fish, crabs or prawns, or whatever delight our oceans have to offer.
