Commercial Fisher Personal Comments to the Inquiry

Introduction:

I am a commercial fisher working in Region: 1, 2, 3.

I have been in the Fishing Industry for: 28 Years

I have many concerns for the way the commercial fishery is being managed in NSW and draw your attention to my personal views on the following:

The Impact to my Business Shareholding is as follows:

Fishery OF SHORE PRAWN TRAWL Shares held: 65 Shares now required another 65

Fishery INSHORE PRAWN TRAWL Shares held: 65 Shares now required another 65

Fishery _____ Shares held: _____ Shares now required _____

Fishery _____ Shares held: _____ Shares now required _____

Fishery _____ Shares held: _____ Shares now required _____

Fishery _____ Shares held: _____ Shares now required _____

Fishery _____ Shares held: _____ Shares now required _____

Fishery _____ Shares held: _____ Shares now required _____

Fishery _____ Shares held: _____ Shares now required _____

Fishery _____ Shares held: _____ Shares now required _____

I have had to pre purchase shares because:

I have not pre purchased shares because
I cannot afford to, there are none available
because they have all been bought up
by investors.

Please note the following personal views of the impacts to my business and my personal situation: Have owned Business for 19 years

and employed two crew for 19 years and will
probably be forced out of the industry if I
cannot work the ~~rights~~ amount of nights I
currently do.

Personal Commercial Fishers views

(Circle the answer you support)

Given there is approximately 1% of the Australian Population allowed to commercially fish to provide seafood for approximately 78% of the population who do not fish recreationally do you agree that there is a major management issue in providing local seafood to local communities in NSW?Yes / No

Your views:

Further Comments.

Other fisheries that have bought in nights, the nights have been worth ridiculous amounts of money when it was done and now the nights are worth nothing.

So having to invest in more nights (shares) to keep fishing is not a good investment. Also the industry is fine the way it is. latent effort is the only worry.

Remember to attach correspondence you have sent to DPI, or the Minister,
