Name: Mr Allan Saunders

Date received: 9 December 2016

NSW Parliamentary Inquiry

Commercial Fishing Reform

PERSONAL SUBMISSION

NAME: ALLAN JAMES SAUNDERS

ADDRESS: _____

I Do not support the ideas of buying
my business back.

But I support a fishing Reform

There must be changes in the Industry
much to much effort in all fishing
factors

I have fished for 38 yrs second Generation
seen how it was to now.

We do not need shares to be bought
by Individuals to keep the same effort
going.

There must be a buyout of fishing
licence to get the numbers down to be
sustainable for all Lakes and Rivers.

Leasing must stop, the way around this is
NO fisher holds no more than One Business NO.

I am 55 yrs old I would like to know I'll be
fishing till I am 70 plus.
