**INQUIRY INTO STUDENTS WITH A DISABILITY OR
SPECIAL NEEDS IN NEW SOUTH WALES SCHOOLS**

Name: Ms Vanda Smith

Date received: 18/02/2016

I am writing this submission for those children's that can not have a voice of their own due to disability or special needs. I strongly support GONSKI funding where those in our society that need extra support are provided for. Supporting these children not only helps those individuals but extends to their families and the broader society. Ensure these kids get the support they deserve.
