

## **INQUIRY INTO ROAD TOLLING**

**Name:** Mrs Susan Spedding

**Date received:** 24 February 2017

---

Western Sydney residents should not be forced to pay tolls when regular, reliable, public transport is not available. Trains to Blue Mountains are infrequent outside peak times and do not run at all after 12.30am. A toll will also add to already high transport costs for workers who need to travel to urban areas from the west.
