INQUIRY INTO ROAD TOLLING

Name: Mrs Leonie Orchard

Date received: 27 February 2017

please do not reintroduce a toll on the M4. We the people of NSW have already paid for the M4. WE should not be forced to pay for driving on the older sections on the M4. Outer western Sydney motorists have already paid for this road. It is unfair to charge motorists to drive on roads already fair and squarely paid for. Put a toll on the new sections if you must.
