## **INQUIRY INTO 'ENERGY FROM WASTE' TECHNOLOGY**

**Name:** Mr Patrick Phelan

**Date received:** 18 April 2017

---

Toxic waste plant we don't want

And here is the reasons why.

<http://www.cbn.com/cbnnews/healthscience/2013/june/waste-to-energy-a-health-hazard/?mobile=false>

The evidence is a fact in Europe and the US. WERE THEY ARE NOW FINDING SUCH HEALTH ISSUES THEY WANT TO SHUT THEM DOWN we should not let them on our shores. I hope this can be stopped as it will affect our children an grandchildren. Thank you Paul.
