

INQUIRY INTO 'ENERGY FROM WASTE' TECHNOLOGY

Name: Name suppressed

Date received: 25 May 2017

Partially
Confidential

The incinerator will create massive amount of pollution. Please stop this project so that the local resident's health won't suffer. The damage for the local environment and people's health is more important than the energy that the waster incinerator can generate. Please consider the long term effect and the impact it is going to have for the local community.
