INQUIRY INTO 'ENERGY FROM WASTE' TECHNOLOGY

Name: Ms Cemile Can

Date received: 28 May 2017

Im against the incinerator where human life's will be affected. Eastern Creek is too close to residential areas schools hospitals. I'm already 80+ I believe I deserve healthy life and clean air as much as anyone else, with smoke and health issue I can't have that as an option. Thanking you in advance for caring my opinion hoping you will care for my healthy living....
