**INQUIRY INTO ELECTRICITY SUPPLY, DEMAND AND
PRICES IN NEW SOUTH WALES**

Name: Ms Kim Sun

Date received: 16 October 2017

KimSun

Hi NSW Upper House,

• I support a legislated fair price for solar;

• NSW needs a legislated for minimum feed in tariff that is fair;

• The feed-in tariff should represent the true value of solar, this means recognising the environmental and health benefits and the network benefits of rooftop solar;

• I support for rooftop solar and renewables, not old polluting sources of power.

Your Sincerely,,

Kim Sun
