

**Submission  
No 47**

**INQUIRY INTO ELECTRICITY SUPPLY, DEMAND AND  
PRICES IN NEW SOUTH WALES**

**Name:** Mr Adam Nelson

**Date received:** 16 October 2017

---

Obvious scam, aluminium siding of 21st century. Good panels on ebay for 840 a kilowatt. Obvious approved products and installers taking advantage of rebate. I know people who have bought on open market rather than contribute to corrupt rebate peddlers.
