**INQUIRY INTO ELECTRICITY SUPPLY, DEMAND AND
PRICES IN NEW SOUTH WALES**

Name: Ms Anne Stanton

Date received: 16 October 2017

I support a legislated fair price for solar.

I think NSW needs a legislated, minimum feed in tariff that is fair. The feed-in tariff should represent the true value of solar. This means recognising the environmental and health benefits and the network benefits of rooftop solar.

I support rooftop solar and renewables, not old polluting sources of power.
