

**Submission  
No 91**

**INQUIRY INTO ELECTRICITY SUPPLY, DEMAND AND  
PRICES IN NEW SOUTH WALES**

**Name:** Mr Ben Conway

**Date received:** 16 October 2017

---

Dear Representative,

I appreciate that yours is a hard position having to balance between needs and desires of the community.

It is also important that you represent the people of Australia's interest. As a person of Australia, I would appreciate your backing on the matter of having a fair and mandatory feed-in tariff.

Please support renewable energy technologies and their roll-out to a less fossil fuel dependant society.
